***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the prior art fails to teach a suspension arm mounted in the inner housing and having an insert slidably extending into and retractably held in the arm passage through the front opening and two toothed protrusions formed transversely on the insert to engage respectively the toothed ratchet surfaces to hold the suspension arm at a specific angular position, and the insert having an inner abutting the free ends of the resilient element, wherein the mounting bracket comprises a detachable half casing attached to the mounting plate, aligned with the stationary half casing to define the arm slot and having the second toothed ratchet surface and a through hole aligned with the through hole in the stationary half casing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Todd M. Epps whose telephone number is 571-272-8282. The examiner can normally be reached on M-F (7:30-4:30).
